CONMAC EXPO 2024

Welcome to CONMAC Expo, the premier B2B trade show dedicated to showcasing the latest innovations, technologies and products in the heavy equipment and construction machinery industry. As the largest event of its kind in North-East India, CONMAC Expo brings together industry leaders, manufacturers, suppliers and buyers to explore new opportunities, forge partnerships and drive business growth.

CONMAC Expo catalyzes business growth and development. Whether you're a startup looking to make your mark or an established industry leader seeking new opportunities, our expo provides the ideal environment to showcase your products, expand your network and stay ahead of the competition. The inaugural edition of the CONMAC Expo is poised to provide industry professionals, stakeholders and exhibitors with an ideal platform to explore new markets, expand networks and showcase their products and services to a discerning audience. The expo's triumph is attributed to its emphasis on cultivating robust partnerships, facilitating knowledge exchange and promoting sustainable development practices within the Construction and Machinery industry.

As a strategic B2B event, our objective is to create novel business opportunities for both participants and visitors in Guwahati, Assam—a city acknowledged as the gateway to India's ambitious policy. This policy aspires to position the region as a significant international economic corridor, particularly for exports to ASEAN markets, while augmenting domestic capacities through judicious policy frameworks. The exhibition presents an auspicious landscape for exhibitors, local businesses and stakeholders to forge new alliances and partnerships, actively contributing to the growth and socio-economic transformation of North-East India.

The conceptualization of the CONMAC Expo is the result of meticulous planning by a team of industry experts boasting over two decades of experience in B2B exhibitions, industry-specific conferences, business publications and market research. Comprising some of the most seasoned minds in the Indian exhibition industry, our team is committed to delivering a seamlessly orchestrated and enriching participation experience for both exhibitors and visitors. We ensure that the event remains at the pinnacle of industry relevance, consistently adapting to and reflecting the latest developments in the construction and machinery sector.

EXHIBITOR PROFILE

- Crushing & Conveying Equipment, Machinery, Supplies & Consumables.
- Drilling & Blasting Equipment, Products, Explosives and Supplies etc.
- Excavation & Loading Equipment, Parts, Machinery, Supplies & Consumables.
- Exploration Equipment & Consulting Services. Mine Construction & Dust Control Equipment, Machineries and Systems.
- Mineral Processing Equipment & Machinery, Mineral Washing, Mineral Logistics Motors, Water Pumps, Gears, Water Management, Slurry Pumps & equipment Fuel Handling Equipment, Storage System & Services.
- Fuel, Lubricants, Supplies & Consumables.
- Health & Safety Equipment, Products & Services, Management.
- Environment, Health, Safety & Consulting Services.
- Raw Material Testing & Services.
- Instruments for Laboratory Equipment Services.
- Alloy & Steel Producers & Suppliers.
- Communications, IT Software, Technology & Allied Services, IT Hardware.
- Electrical Equipment, Electrical Components, Lights, Instruments etc.
- Power Transmission & Generators, HVAC Systems.
- Financial & Legal Support Services.

VISITOR PROFILE

- Crushing & Conveying Equipment, Machinery, Supplies & Consumables
- Mine developer cum Operator (MDOs) / Mine Owners
- Mineral Processing plants / Foundries
- Plant / Mine Chiefs
- Procurement / Purchase / Supply Managers
- Construction houses / Contractors/builders
- Cement manufacturers
- Steel / Aluminium Industry
- Financial Institutions / Consultants
- Safety Institutes / Health, Safety & Environment (HSE) Managers
- Quarry Owners, Limestone, Granite, and Sandstone Mine owners
- Trading & Marketing / Distribution & Representatives / Agents
- Power generation, distributors & Transporters
- Ministry / Government officials
- Geological Institutes / Engineering colleges
